OUR LEGACY

Our inspiration

Late Padmashree Deoram Sayaji Wagh
alias
Karmaveer Kakasaheb Wagh

Late Padmashree Karmaveer Kakasaheb Wagh was a visionary leader who understood the importance of Education 50 years back and started Educational Institutes under K.K.Wagh Education Society. He realized the importance of education for upliftment of rural masses. He had a vision of starting professional courses for empowering the rural youth. He has started new institutes, sugar factories through co-operative movement. He was on the forefront for solving workers and farmers and fought for the betterment of the poor and farmers. He thought of projects on a global scale and worked towards perfectness in the design and implementation.

Late Ratansey Haridas Udeshi
alias
Kakusheth Udeshi (Philanthropist)

Late Kakusheth Udesh comes from the philanthropist family. He has donated land for religious places for constructing Dharmashalas and also for Health care facility projects for the poor and needy people. He has always tried to uplift the downtrodden people. He has donated the land of 23 acres for the cause of education without any strings attached. Because of his generous donation, over 25,000 students could avail technical education from the Hirabai Haridas Vidyanagari and are well settled in their life.

Our History

Karmaveer Kakasaheb Wagh Education Society is a leading educational trust in Nashik District. It is registered under Societies Registration Act 1860 and Bombay Public Trust Act 1950. It was established in 1970 by the visionary leader **Late Padmashree Karmaveer Kakasaheb Wagh**. In the rural area people were not well aware about the importance of education; due to illiteracy the bahun samaj was deprived from development. Therefore, Kakasaheb realized the importance of education for upliftment of rural masses and started with a school at Bhausaheb nagar in

Niphad Tehsil. As per the need of Technical Persons for HAL, a technical school is started in K.K.Wagh Vidyabhavan.

As per the growth of Industrial units in Nashik District, the Education Society has recognized the need of technical education and hence started K.K.Wagh Polytechnic in 1983 and K. K. Wagh College of Engineering in 1984 at Bhausaheb Nagar in Niphad Tehsil later on shifted to Nashik City.

In the rural area there was no facility of education especially for women, for education they have to go to district place, in this situation, many of the girls are deprived from education, and hence the Education Society has started a separate school for girls **“Gitai Wagh Kanya Vidyalaya in 1993”** and K.K.Wagh Women’s Polytechnic in 1996.

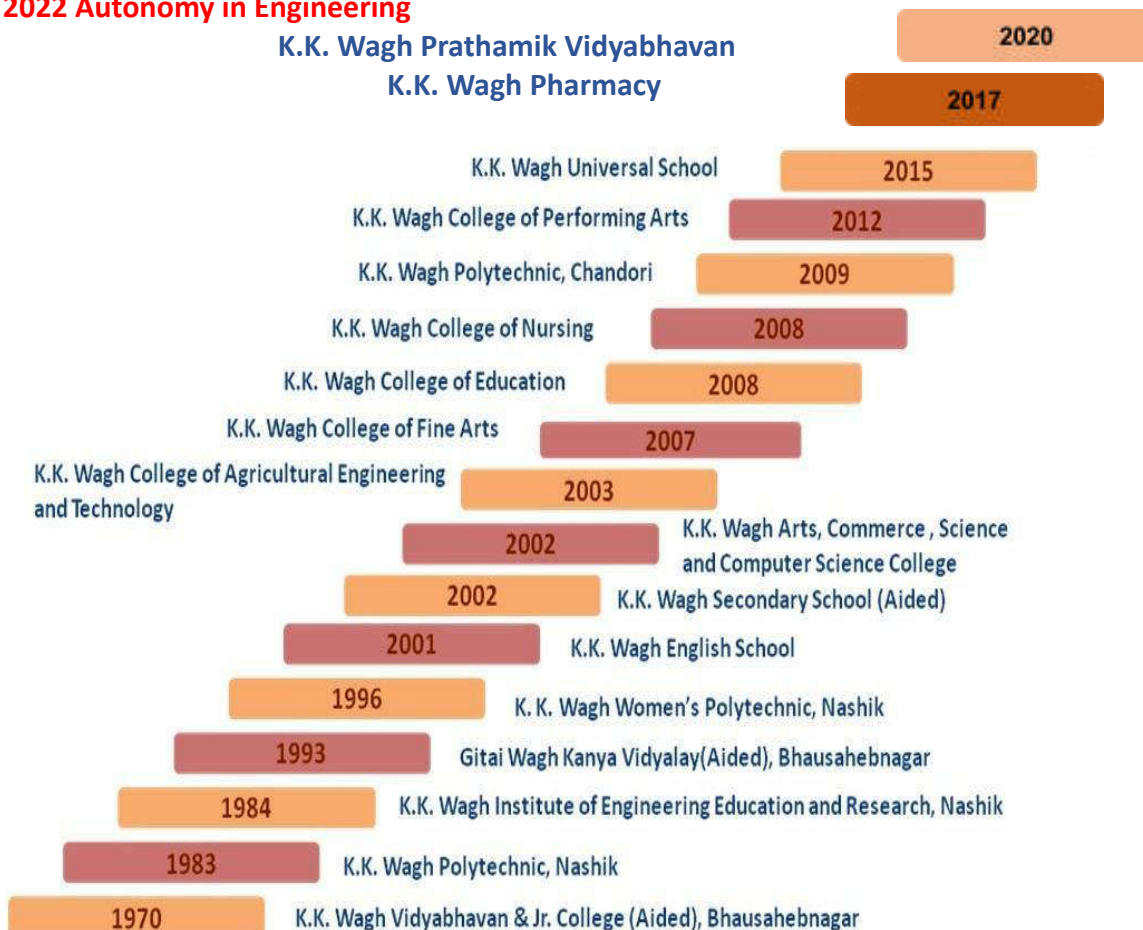

In the rural area there was less response of students due to lack of quality teachers and hence, the education society has decided to shift the Polytechnic and Engineering College in Nashik. Later on the education society received a land of 23 acres from the well-known **Philanthropist Late Kakusheth Udeshi** who was Director of Hansraj Surji Charitable Trust, Nashik. The land was utilized by K.K.Wagh Education Society to establish an ideal Technical Campus known as ‘Hirabai Haridas Vidyanagari’. This picturesque Campus houses the Engineering College, Polytechnic and Pharmacy Colleges.

K.K.Wagh Education Society has completed its journey of 50 years in January 2020. The Education Society has celebrated the Golden Jubilee year. On this occasion, several social, academic and environmental programs were arranged to express our gratitude towards society.

A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a big tree with 30 institutes having over 20,000 students engaged in studies from K.G. to Ph.D. in various fields. There are over 1,800 dedicated employees following the Indian ethics and striving hard towards developing the World Class institutes.

Milestones

2022 Autonomy in Engineering

The objective of K. K. Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. Other facilities provided to the students include gymnasium and sport facilities, hostels for boys and girls, mess and canteen, transportation facility etc. Highly motivated and qualified faculty engaged in teaching, research, consultancy, training, testing and designing is a major strength of all the institutes.

Founder President of K. K. Wagh Education Society

Shri Vijay K. More
(Period:05/01/1970 to 12/12/1973)

President Message

K. K. Wagh Education Society established in the year 1970, a small sapling planted with only one institute, has now spread its wings with 31 different institutes. The credit goes to all students, stakeholders, society, staff and my colleagues in the Board of Directors. I am proud to say that **K K Wagh** has become a brand name in the field of education.

The colleges like Engineering, Polytechnic, Pharmacy, traditional branches like Arts, Science & Commerce, Education, Nursing and Agricultural studies are offered and being chosen by high ranking students.

Many of our past students have gone for higher studies. Most of the students are holding prestigious positions in the reputed organizations within the country and abroad.

K K Wagh is known it's the moral values, ethics and contributing a lot for the overall up-liftment of the society.

I, being the President welcome you to be a member of K K Wagh family.

Best of luck for all your future endeavours.

RESEARCH

Research & Development

The institute believes in a judicious combination of teaching and research for the benefit of the student community at large. The institute envisages innovation and technological development through its R&D axis. It has plans to cultivate academic and research collaborations with national and international universities, governments, and industries to meet the immediate needs of society and industry. The institute also remains committed to long-term research as the foundation for future development.

The institute's serene atmosphere, infrastructure that keeps abreast of global standards and excellent academic facilities coupled with intellectual freedom; richly add to the perfect ambiance for conducting cutting-edge research that can make a positive change in the lives of the citizens.

Aims

- To inculcate the spirit and culture of research amongst all the stakeholders.
- To enhance interaction and cooperation between researchers for interdisciplinary and multidisciplinary work.
- To forge academic and research collaborations with national and international universities, governments, and industries.
- To establish links with various R&D organizations and funding agencies for sponsored and contract research.
- To work towards the development of KKWIEER as a global R&D center.

Objectives

- To enhance research awareness by organizing national and international conferences, symposia, workshops on research methodology, IPR and patents, talks, and discussions with eminent researchers.
- To motivate faculty for doctoral and post-doctoral assignments at various national and international universities and organizations of repute.
- To encourage faculty to undertake research projects in, thrust areas in science and engineering funded by various national and international agencies.
- To explore new horizons of knowledge and ensure its practical implementation through collective efforts and quality research work.
- To provide a creative atmosphere, complemented by adequate facilities and resources in which research thrives amongst the faculty and students.

R&D Cell

The R&D cell comprises faculty members from various departments in the institute. This committee oversees the smooth and efficient coordination of research and development activities in the institute, thus fostering overall growth.

A senior faculty heads this cell in the capacity of Dean (R&D), ably supported by Associate Dean (R&D); with the Principal providing advisory support. The faculty members that constitute the R&D Cell are,

The role of each of the members can be summarized as,

- To encourage and motivate faculty for externally funded research and development, interdisciplinary and multidisciplinary research, product design and development, publications in peer-reviewed journals.
- To facilitate discussions and collaborations with researchers from other institutes, with the possibility of joint work in various thrust areas of national and international importance.
- To initiate and promote MoU with industries and R&D organizations for consultancy, collaborative research, sponsored projects, industry-institute interactions, etc.
- To arrange talks and interactions by eminent personalities from industry, R&D organizations and institutions of repute; for a better understanding of research methodology and practices currently followed.
- To support faculty for delivering talks at different events and conducting workshops, training programs, seminars, conferences, symposiums, faculty development programs.
- To visit R&D organizations and disseminate information regarding the effective implementation of research projects.
- To suggest peer-reviewed national and international journals for subscription in a central library as well as a department library.
- To formulate the R&D budget of the department in close co-operation with the faculty and the HoD.
- To keep everyone abreast of all announcements by various funding agencies like DST, DAE, DRDO, ISRO, CSIR, AICTE, UGC, UoP, and the like.
- To motivate students for presenting papers in National and International conferences, and projects in competitions and exhibitions. B.E. projects can be considered as a mini-research project. Interdepartmental/collaborative work to be encouraged positively.

EVENTS

IET Karmveer Expo

The Department of Electrical Engineering has been organizing the two days event IET-KARMAVEER EXPO – Project Competition of engineering students, since 2003 with the support of the Institution of Engineering and Technology (IET) U. K. (Formerly IEE). This event has a successful history of 17 years. It was introduced as a Regional Level Event and after three years, it has grown to the National Level in the last 13 years. This year IoT and its application were added considering its potential in various sectors and startups. It is open to engineering students of all disciplines across the country. It is a platform that allows interaction between industry professionals and students as well as offers the corporate sector a chance to assess the potential of engineering students.

It is an event showcasing the efforts and expertise in creating innovative solutions to real-world problems by engineering students from all over India. The students exhibit their working models along with posters and presentations. It provides a platform for UG students to opt for start-up/entrepreneurship as a career option. Industry experts are invited as judges. They use structured evaluation methodology to avoid any bias in their judgment. The best three projects are selected by a panel of judges. The prize amount for the winners is around Rs.2,50,000/-. Electronic and print media gives wide coverage to this event. Many multinational companies showcase their state-of-the-art technology products during the National Level Exhibition in addition to expert sessions.

During these two days, many industry professionals, people from all walks of life, students of all disciplines visit the exhibition. The overall budget of the event is around Rs. 10,00,000/-. Funding is generated through the sponsorship given by the industries. Regular sponsors are IET (UK), L&T Mumbai, Philips Electronics India Ltd., Mumbai, Legrand India Pvt. Ltd., Mumbai, KOSO India Ltd., Crompton Greaves Ltd., Nashik, and many more. For more details on this event visit <https://ietexpo.org/>

Industry and Academia Leaders Round Table Discussion on “Making Students Industry ready” K.K.Wagh Institute of Engineering Education and Research in coordination with other colleges run by K.K.Wagh Education Society organized an Industry and Academia Leaders Round Table Discussion on “Making Students Industry ready”. This meet was held on 10th December, 2015 (Thursday) between 5.30PM to 9.30 PM in K K Wagh College of Engineering Campus (Tennis ground) followed by dinner. The objective of this meet was to get the inputs from industry leaders to develop a mechanism for making our students “Industry ready”. This meet was attended by 95 CEO/Plant heads and other senior officers like Presidents and Vice-Presidents/ GM of large and medium scale industries in and around Nashik. Office bearers of various industrial associations like CII, NIMA, NIPAM, IEI, etc and around 40 senior alumni members were also present. Principals, HODs and senior staff members of Engineering College and three polytechnics run by K.K.Wagh Education Society interacted with the industry officials.

CONVOCATION CEREMONY

Convocation Ceremony- 2020

K. K. Wagh Education Society conducted Savitribai Phule Pune University's 116th Convocation Ceremony for UG courses on Saturday, 07th March 2020 at 2:30 pm.

Degrees were awarded to different institutes under K. K. Wagh Education Society viz. K. K. Wagh Institute of Engineering Education & Research (Nasik), Senior College (Nasik), Senior College (Chandori), Senior College (Kakasaheb Nagar, Niphad), Senior College (Pimplas Ramache), B.Ed. College (Nasik), Fine Arts (Nasik) and Performing Arts (Nasik).

Honourable Dr. A. B. Pandit, Vice Chancellor, ICT, Mumbai was the Chief Guest for the event. Also in attendance were other dignitaries from the academic world, industries and the government. A total of 1315 students were awarded their degrees at the convocation ceremony. Honourable chief guest Dr. A. B. Pandit, handed over the degrees and special awards of merit to deserving students.

BLOOD DONATION CAMP

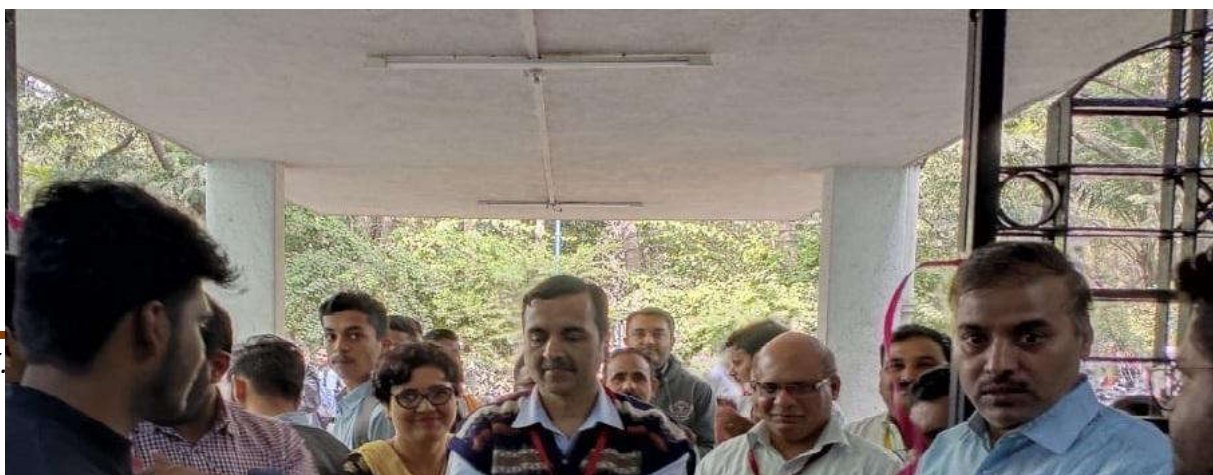

K K Wagh Polytechnic Nashik organized a social activity- Blood Donation Camp. For this activity Hon. Ajinkya Wagh, Dr. K. N. Nandurkar (Principal-KKWIEER), Prof. P. T. Kadave (Principal-KKWPN), Prof. M. B. Jhade (Principal-KKWPN), Dr. V. R. Khapali (Principal-KKWPC) visited the blood donation camp and gave best wishes to the organizer and blood donor.

Sandarbh Seva Ruganalaya Blood Bank, Nashik cooperated for this activity. Dr. Purushottom Puri and his entire team Supported for the smooth conduction of Blood Donation Camp.

Different Students, faculty members, staff members actively participated in this social activity and donated blood.

Blood Donation Camp

On April 4, 2019 Blood Donation Camp was organized jointly by K.K. Wagh English School & Junior College. The Chief of the Blood Donation Camp was Hon. Dr. Sameer Aher, Director of Lokmanya Multispecialty Hospital. Dr. Archana Patil, Head of the Department of MVP Blood Bank, Shri. Manish Saraf, Senior Technician, Hon. Mr. Ajinkya Dada Wagh, Hon. Dr. Bhushan Kardile, Coordinator of English

Schools & Junior Colleges, Hon. Dr. V. M. Sevlikar, Coordinator of Saraswati Nagar Campus, Hon. Mr. Sanjeev Ahire, Public Relations Officer of the Organization, Prof. N. N. Saheb Gurule, Mrs. Amrit Rao. Headmistress of Universal School, Students of Engineering College & teachers of all faculties were presented.

On the occasion of the inauguration of the program, the dignitaries were felicitated by Dr. Bhushan Kardile by giving small saplings. After this the chief guest Dr. Sameer Aher was invited to guide.

Emphasizing the importance of blood donation, Dr. Sameer Aher emphasized the importance of April 4th. On the same day in 1956, Heart Transplant Surgery was successfully completed. Explaining the importance of blood donation Dr. Sameer Aher said, 'I have donated blood 15 times, but I have not been able to donate blood this year due to diabetes. He gave valuable guidance that he would donate blood again after recovery. He explained the benefits of donating blood. All the dignitaries and blood donors understood the valuable advice given by the doctors & decided to use it in life.

After the inauguration of the Blood Donation Camp, blood donation was started by checking the hemoglobin of the blood donors. After blood donation the donors were given Parle Biscuits & 2 Bananas to generate energy. The work was done by Mrs. Rekha Nikum, Mrs. Madhuri Niphade, Mrs. Suchita Vispute, and Mrs. Chetna Telrandhre under the guidance of Mrs. Ashwini Pawar, Headmistress K. K. Wagh English School & Junior College. The Blood Donation Camp was successfully completed at 5

GANESH UTSAV

K.K. Wagh Education Society has started Ganesh Utsav of all institutes from 2015. During celebration, all employees and students of K. .K.Wagh Education Society came together to celebrate this charming event.

Every year Ganesh utsav is celebrated by choosing different themes like environment protection,yog-shastra,ozone layer protection, so that a positive and creative message can be spread in the Society. Different socio-cultural programmes like Blood donation camp, help to blinds, cloth distribution to poor are arranged. Entertainment programmes like Dhol-tasha and lezim etc.also performed. Greatest care is taken to avoid any kind of environmental pollution.

All these activities are completed with the help of our college students.The active participation of students makes them learn event management lessons. Mr. Ajinkya Wagh is actively involved in the management of this event.

BODYBUILDING COMPETITION.

This competition is named as **Karmaveer Shree** in the memory of Late Karmaveer Kakasaheb Wagh. This event is inspired by Late Hon. Balasaheb Wagh(Ex-President), Hon. Mr. Sameer B Wagh Chairman, and Hon Mr. Ajinkya Balasaheb Wagh for the rural area players for their future development at National and International level. Our students have been participating in the North Maharashtra level Body building competition since 2016-17. Our students won the Best Poser award, Most Improved Body Builder award and Uttar Maharashtra Shree award.

GOLDEN JUBILEE

K K Wagh Education Society has completed its 50 years journey in 2019-20. The Education Society has celebrated this year as a golden jubilee year. Many social activities and functions were arranged during the whole year. The golden jubilee year started with Satynarayan pooja and thereafter a series of many programmes like cultural programme Indra-dhanushya, project rally, dignitary lectures, blood donation camps and many other activities were arranged.

From T.P.O.'s Desk...

Greetings from KKWIEER !

Our Institute holds the pride of place being the first ever-Engineering Institute established in Nasik, Maharashtra in the year 1984. Institute is affiliated to S.P. University of Pune & we have the talent pool of Mechanical, Electronics, Electronics & Telecommunication, Computer, Information Technology, Electrical, Chemical, Production, Civil Engineering students along with MBA / MCA / ME students for recruitment.

We also have talent pool of diploma holders & graduates of Agricultural, Science, Commerce, Performing Arts, Nursing, Food Technology & Horticulture in our sister concerned institutes run by K.K. Wagh Education society.

The students are willing to locate anywhere within the country or overseas & they have all the qualities to prove themselves in the industries.

In the present scenario, the emphasis is on improving Institute-Industry Interaction. Both the Industry & Institute find it mutually beneficial by organizing the Campus Recruitment Programme.

T&P cell is committed for providing maximum job opportunities to interested & needy students of K.K. Wagh IEER. We regularly conduct HR summit & HR connect programs to make our students aware about skill expectations from industries. We have developed a mechanism for bridging the skill gap. We groom the students meticulously from First Year to Final Year for their campus selection process by conducting training for soft skills

and life skills. We also make the students aware about different opportunities available in the areas like: higher education, defense services, entrepreneurship development, patent agents etc.

Placement season runs throughout calendar year & institute is having dedicated infrastructure for conducting Aptitude test / Group Discussions & Personal Interview in its campus.

It is our pleasure to share with you that on an average 100+ reputed companies give the placement opportunities to our students every year. Students are being placed in very reputed companies like: TCS, KPIT Technologies, Persistent Systems Ltd., L&T InfoTech, Wipro Technologies, ABB, Emerson, Goodyear Tyres FINIQ, Crompton Greaves, Praj, Jindal, Mahindra Sona, Mahindra & Mahindra, Adani Electricals Ltd., BOSCH, Dmart, Federal Bank, etc. We invite more & more companies to join our placement process & select meritorious engineers for strengthen their workforce.

We assure all the support required by the recruiters for the smooth conduct of the campus interviews.

Dr. Pramod K. Shahabadkar

Student- Miss. Divya Jadhav, Electrical Engg.

All about K.K.Wagh Polytechnic, Nashik.....!!

Hello everyone,

This is Divya Jadhav of Electrical Department. Talking about my journey in Electrical department is full of enjoyment and fun....!! This department has given me a lot of confidence and motivation for my further career. The staff was very cooperative and the infrastructure provided in my department was excellent which helped me gain the confidence to rise high..!!

The staff members were really very positive and helpful for the upliftment of the students. The staff members of my department shared a great bond with the students which helped them ask the doubts of a particular subject easily without hesitation. The department helped me gain not only the theoretical knowledge but also it helped me gain actual industrial knowledge by the industrial visits and the guest lectures organized by the department. The department had well equipped laboratories which helped me to actually gain the practical knowledge about the subject and thus it developed my abilities to tackle with the actual on field problems. Also the department

had its students' association named EESA (Electrical Engineering Students' Association) which I was a part off. This association of the department helped me gain the other required soft skills.

The department has helped me get a direction to my career by the motivations from the staff members. All in all, the Electrical department of KKWP has not only taught me but it has actually educated me in my life...!!

Student- Ms. Sanjana Talele of Electrical Department

Hello everyone,

This is Sanjana Talele of Electrical Department. Talking about my journey in Electrical department is of transforming of myself into a good learner and dynamic personality....!! This department has given me a lot of confidence and motivation for developing learning skills, soft skills, values and ethics. The staff was very cooperative, attentive. The infrastructure provided in my department was excellent which helped me gain the confidence to rise high...!!

The institute has a very good greenery campus with sports facility that has helped me in developing my personality. The Central library of institute has a good number collection of reputed reference books which provided us to learn basis, advanced topics in my study. The Journals in library has helped me in my seminar and project preparation. Also the E-library is quite useful for a ready reference.

The most promising feature of institute is the excellent Placement facilities provided which helps student to prepare for Industry ready.

The staff members were really very positive and helpful for the students. The department helped me gain actual industrial knowledge by the industrial visits and the guest lectures organized by the department. The department had well equipped laboratories which helped me to gain the practical knowledge about the subject.

The institute and department has helped me get a direction to my career by the motivations from the staff members. All in all, the K.K.Wagh Polytechnic, Nashik and Electrical department has a strive to empower students with a good quality technical education with ethics and values...!!

Staff- Mr. Pankaj Madhavrao Mohan, Lecturer in Electrical Engineering in Polytechnic

Mr. Pankaj Madhavrao Mohan, currently working as faculty at department of Electrical engineering K. K. Wagh Polytechnic, Nashik. I Have completed my Bachelors in Electrical Engineering, from SVIT, Nashik, And Mtech in Power System from RGPV, Bhopal, MP. Working in K. K. Wagh Polytechnic, Nashik since 2009. As daily knowledge upgradation is motive of the institute higher authority is continuously supporting the faculty for adopting new skills for day-to-day teaching learning process. I have published Three International Papers related with Electrical Engineering and Presented Paper in two International conferences and research work going on consistently. As a part of digital learning, I have started own YouTube channel with title "Electrical Technology" for providing technical knowledge to students more than academics <https://www.youtube.com/channel/UCUh50usxeSpA1da5JF8WWtg> Guiding students through micro-Project, Major Project is also one of the important activities carried out by Institute. By

formation of Advisory committee, QMS committee Institute consistently taking feedback from faculty regarding teaching learning process and also giving time to time guidance regarding how to improve the process and as a result faculty adopted various digital techniques in teaching learning process like Google class room, google form , MOODLE platform etc. which improve the interest of students in various subjects with eventually increasing the students overall results and also they are getting good opportunities in core sector Companies . I also worked as NBA Coordinator, Institute TPO Coordinator and active contribution from academics to research to innovative education technology. K.K. Wagh polytechnic Nashik and K. K. Wagh education society has very important role in professional development.

Staff- Mr. Somnath Pagar, Technical Assistant in Electrical Engineering Dept. in Polytechnic

I am Somnath A. Pagar have been working as a Technical Assistant in Electrical Engineering Department of K. K. Wagh Polytechnic, Nashik. It gives me immense pleasure to state that the K.K.Wagh Education Society has really transformed my life like other employees of this institute. Still I remember my days in early life when it was difficult for me to think about a better future. But, today, I am well educated with a better career in K. K. Wagh Education Society, feel proud enough to be associated with this renowned Education Society. I am only one example in the institute who has started a career in this Institute as a Waiter in the Mess of Hostel for the Students, later on, became a Peon and presently I have been working as a Technical Assistant for sixteen years and now eligible to shoulder responsibility as a Faculty of English Language too. The apex of the story is "I have selected for the Post of Lecturer in English for Government Polytechnics, Maharashtra, Gr-A in the year 2014 by MPSC (Maharashtra Public Service Commission)." I could flourish as a Lyricist/ Poet, Writer because of kind support, guidance and motivation, I received time to time. In a nutshell, I can tell that this miracle could happen in my life because of kind support and guidance by Hon. Chairman, Trusty, Principal as well as all my dear Colleagues.

There are many examples like me in the institute. I know when the history of the Education Society will be written it would definitely be completed by describing an example like me which shows the greatness of Management and Higher Authorities.

Management of our Education Society is very visionary because of their vision, various colleges and schools are imparting quality education to all students for their all-round development. Today, K. K. Wagh is emerged as a brand name for Quality Education; after all, credit goes to Management, their vision, mission, plans for the upliftment of the society.

All institutes run by our Education Society are equipped with well-furnished infrastructure. All Faculties and Staff members are highly educated, dedicated, motivated. Management always supports us for activities to be conducted for the benefit and development of students.

We have a very conducive and healthy atmosphere for employees as well as students. We are really inspired for all-round development of students, that's why parents, as well as Students, have trust in our teaching learning process.

CHEMICAL DEPARTMENT

International training of 10 students of Chemical Engg.department in Vietnam after completion of diploma in K.K.Wagh Polytechnic.

The Chemical Engineering Department of K.K.Wagh Polytechnic, Nashik always tries for campus placement of third year students. Many companies like ABB, Praj, Cipla, Catapharma, TCS, JSW, Deltafinochem, Torricid, Gharda, Megafine Pharma, Anshul, Borosil, Catalyzer, Technoforce, Alkyl amines have recruited our students.

Hyosung India Pvt Ltd, Aurangabad (German multinational) company recruited 10 students in the last 3 years. Immediately after recruitment students were sent to Ho Chi Minh city of Vietnam for post recruitment training. After a 9 month long extensive training now students have returned back to the company's newly started plant in Shendra MIDC, Aurangabad. They are doing excellent

work in the company and it is very well appreciated by company authorities. Around 10 students from the last three years are offering their services in the company at present.

14 international research publication in peer reviewed SCI journal using research facility in a Chemical Engg. department of K.K. Wagh Polytechnic, Nashik

Association of faculty of Chemical department with institutions like Institute of Chemical Technology, Mumbai and Sardar Vallabhbhai Patel Institute of Technology, Surat has created the research culture in the department. This is further augmented after receipt of MODROB grant 5.42 Lakh from AICTE, New Delhi. The facility like Double Beam UV-Visible Spectrophotometer, Orbital Shaking incubator is created in the department. Around 14 publications are published in international peer reviewed journals by Elsevier, Springer, Taylor and Francis, etc using the facility created by the department. We think it might be one of the rare achievements for a department of Polytechnic in Maharashtra. The facility is used by Faculty and students of the Chemical department of K. K. Wagh Polytechnic, Nashik and affiliated institute of K. K. Wagh Education Society, Nashik. Our students are using the facility regularly for project work.

Our Students are working in Microsoft Corporation, Washington, USA.

An expert session conducted for students of classes TYCM I, II & SS on 17/12/2019. Mr. Aniruddha Jahagirdar who is Alumni of 2000 batch, who is working in Microsoft Corp. Microsoft Redmond, Washington (WA), USA over 12 years. He is Senior Software Development Engineer. He has 06 US & World Patents Sun Micro Systems. He interact with students on following topics Introduction to students about current trends in IT Industry, Importance of Basic Fundamental Concepts studying in Diploma, Motivated for Studies and learning new Technologies, Importance of Practical Knowledge, Use of Technologies Studying currently, Seriousness about career, How to focus about future, career, How to develop a plan for future, Decide what kind of work you want to do after Graduation or Post Graduation Guided about specialization in any one of the Technology, Given Introduction about Data Science and its Importance, Relation of Python with Data Science, Self-Implementation of Projects using some Technology.

Mr. G. B. Katkade welcomes Mr. Aniruddha Jahagirdar on occasion of guidance session

By this Lecture Students get motivated about studies, Practical Oriented approach, Problem Solving, as well as get knowledge about Current trends, requirements of IT Industry as well as new Technologies. Also they are able to map Theory Subjects with the real World.

Student- Mr. Mayur Kulkarni, student of Sr.College Nashik

I am Mayur Kulkarni,

I am Co-Founder and Director of Web Vision Labs, which is also known as **WVL**.

WVL was started with a Vision to use our technological skill-set to make world a little bit better. And this is why our motto is *"Better Tech, Better Us"*.

My role in WVL is to carve the best path for us as an IT organization and to direct the company on that path.

I achieved my Masters in Computer Science from KKW - Saraswati Nagar college. Things which come to mind when I think of college are: dedicated teachers, nurturing environment, continuous guidance, and betterment through challenges. College has great infrastructure and hands on approach towards technical education which made it very invigorating to attend classes and workshops duly arranged by college on various technological issues.

During my term there, I was given a chance to develop a security management system by our Principal and it really pushed me to improve my coding and software infrastructure skills. This relation has flourished further after completing my college term. Me and my team at WVL got the chance to share our knowledge with next generation of tech students and when WVL picked multiple bright interns from same class I used to study just couple of years ago.

Spending two years in college has really helped me improve my skill-set and empowered me to handle my responsibilities as better an tech entrepreneur.

About K. K. Wagh Arts, Commerce, Science, and Computer Science College:

I did my Bachelors and Masters in Computer Science from KKW - Saraswati Nagar college. So to start, I'll pass on some of my wisdom to my readers and successors. To me, a great experience someplace isn't based off how many days a week I got to go out and party, but by how much I felt like I contributed, learned, and the great people I met doing something I was interested in and passionate about and K. K. Wagh college is all about it. My experiences here have given me so many things which are surely giving a result in my corporate career and all the time. Surround yourself with good people, good teachers. It is definitely one of a kind and I will forever be in love with the culture of this college.

Student- Mr. Hemant Brahma, student of Sr.College,Nashik

My College days are unforgettable and in fact those days are the most happiest & fruitful days in my life. I proudly feel that I cherished every moments of my college. My experience in K.K.Wagh was just amazing.K.K.Wagh is much beyond just an "Institution"...It actually denotes a "Culture"...Culture of excellence, empowerment, and enrichment. Being a part of K.K.Wagh, I felt blessed. The college has molded my personality and clarified my vision of the future. That day is not far when people will recognize me with the name of K.K.Wagh and I am very grateful to the Institute for providing guidelines and motivation to inspire me to achieve my goals. To start my own IT Company established in 2 cities and working with various IT Services like ERP and IOT. I am Grateful to God that I had this College as the stepping stone of my career life.

During my Bachelor's degree studies at K K Wagh Arts, Commerce Science and Computer Science College I used to Participate in various social and educational events for which my college provide me the fertile platform to emerge as a distinctive personality .I owe a large part of whatever I have achieved to the faculties of Commerce Department at K K Wagh Arts Commerce Science and Computer Science College who did a great job of equipping me with the knowledge and skills required to excel in a Social, Finance and Public sector. I remember K K Wagh Arts Commerce Science and Computer Science College fondly for two things: for giving me a holistic perspective on life and on business, and for exposing me to highly accomplished platforms. It not only gives to its students an armory of skills, but also develops in them the assurance of being as good as the best anywhere. That, in the final analysis, is the ultimate confidence booster."

The years spent during bachelor degree at K K Wagh Arts Commerce Science and Computer Science carved the ways for germination of lot of ideas in me. During journey of bachelor degree, my thoughts, perspectives and orientation towards society crystallized. Being an extrovert, interactions with fellow commuters helped me visualize different faces of society and find out new opportunities in the society we live in and the challenges various sections of society face. Thanks to K.K.Wagh Education Society for being my inspiration.

My College days are unforgettable and in fact those days are the most happiest & fruitful days in my life. I proudly feel that I was General Secretary of such a wonderful college. My experience in K.K.Wagh was just amazing. K.K.Wagh Art com. Science college. is much beyond just an "Institution" ...It actually denotes a "Culture". Culture which not only make me good student; good anchor; Multitasker; but most important is which make me good human being. The college environment has molded my personality and clarified my vision of the future. My personal opinion is its very important that in our college life which we people are going to follow; as our college staff providing guidelines and motivation to inspire us to achieve our goals. Now being a part of Senior Quality Officer in very reputed food co. Sahyadri Farms; I realized that I achieved many things in less time due to passion which was gifted by my college and my staff.

K.K. Wagh ACS & CS college days have been the most important days of my life. Being alumni of this college, I was more interested to get introduced to the professional studies. For this, college helped me a lot and all the staff always helped us not only in curriculum, but also in our overall development.

Last year of my graduation was the time when we were in a dilemma for choosing the further career path and to get admission in the desired institutes for PG courses. For this also, college helped us in setting the proper goals and achieving them successfully in terms of curricular & co-curricular activities.

Our course in K.K. Wagh was full of practical experiences & industrial projects which in turn helped us to gain practical knowledge in addition to our day to day studies.

Today we are the only IT Company in Nasik & north Maharashtra region to provide all integrated IT solutions to various industries like automobile, sugar, manufacturing & engineering companies.

In this whole journey of my life where I achieved professional success, K.K Wagh college & all their team helped me a lot & the their contribution in making my life huge.

I thank the institute & the entire staff who has been the important part of my life.

Thanks & Regards,

Mr. Akash Khare

Success is a very heavy word for me as of now because as per me I am not. It takes years for people to become successful mine is just the beginning and this was started with KKW, under the

guidance of my fruitful professors who always guided, helped, contributed their precious time for me and shown me the correct path so that it will be easy for me to take the correct decision academic and non academic and I m in the mid of my career heading towards it.
So I would like to thank KKW and all my guides, Professors and HODs to be so supportive and kind to me.

Once a frog decided to reach the top of the tree. All the frogs shouted, it's impossible, it's impossible. Still the frog reaches the top. How? It was because he was deaf. And he thought everyone was encouraging him to reach the top of the tree.

when I admitted myself in KKW for 1st year commerce gradually the academic educators and teachers especially Prof Nandurkar mam made me realize that life is like a Rubik's cube , messed up with colors and we have to set them at one place through knowledge , hard work , determination and perseverance. Without the belief in me by KKW, I would not have been the GS of this college for consecutive 2 years.

Good memories we always keep on recalling and one such with this college is how college and its mentors paved my way to success in co-curricular activities. I was the only one volley ball player in girls and college wanted to send a team for inter college competition. With only me as a player how could a team win was a great dilemma in front of all. But once again I witnessed the faith in the eyes of My Coach Khandekar Sir and More Sir. Though we secured third place in the match but through that matches I was selected in a team of Pune University for consecutive 3 years to represent University at All Indian Inter University Volleyball tournaments.

I thank KKW Arts Science & Commerce College and the faculty for all efforts put in by them, along with the perseverance and right moves that have paid off finally. All my batch mates are doing well in their respective jobs which reflect the quality of the students the institute has produced “

It was a great learning experience at KKW with the heterogeneous environment. The college has provided us with the essential technical & managerial skills that are required in the corporate to excel as a leader in the relevant field.

Hello friends

I am Drashty Mehta, From batch of 2009, K.K. Wagh College of Science - Microbiology dept. I was just an average student but my professors and institute played an important role in shaping the dynamic and confident personality in me. They not only helped me in improving my academics but also helped me identify my strengths to grow personally as well as professionally. Various activities such as sports, events, industrial trips, expert lectures and interactions and cultural events, embedded us with better knowledge and also prepared us greatly to face and get hands on experience with the world outside college campus for a better future.

Learning from experienced and highly educated professors and seeking knowledge from one of the best library facility in Nashik, helped me graduate with flying colours and prepared me to get through most of the competitive exams for advance management studies which lead me to secure a place in merit list of some of the best management colleges in Maharashtra. Participating and being awarded for many events organized by the institute gave a boost of confidence and enhanced my presentation and management skills. It was not only three years of college and graduation but a wonderful learning phase in my life which guided me to get through with great career opportunities in various industries that I worked for such as, manufacturing, media production and retail.

I am very grateful to my institute, my professors and my friends for being a part and guiding me towards an enlightened future.

I am Rupesh Ramakant Sawant working as Manager-Training in Aristo pharmaceuticals, Andheri, Mumbai (Ranking 10th in pharma industry).

Today to be a training manager of one of the biggest pharma industry, credit goes to KK Wagh college which has conducted various curricular activities for all students of (Bsc Microbiology Batch 2004-2007).

Activities such as presentations on various topics during college days helped us to be more confident and boosted our confidence to speak in front of various audiences.

NSS camps taught me to work for college and society, which certainly benefited me in imbibing TEAM Work spirit, passion towards achievement, determination to finish given tasks etc. Curricular activities such as Drama, Dance and One act play made me better orator, improved my stage daring and preparation for the best outcome.

I am deeply appreciative and thankful to all steps taken by college to improve my overall personal, social and professional life in all aspects to improve my quality of life.

INNOVATION CENTRE

ENGINEERING COLLEGE -

Innovation Center is a space to cultivate, share, and grow not only potential earning opportunities but also relationships within an organization. The overall objectives of the Innovation Center are to

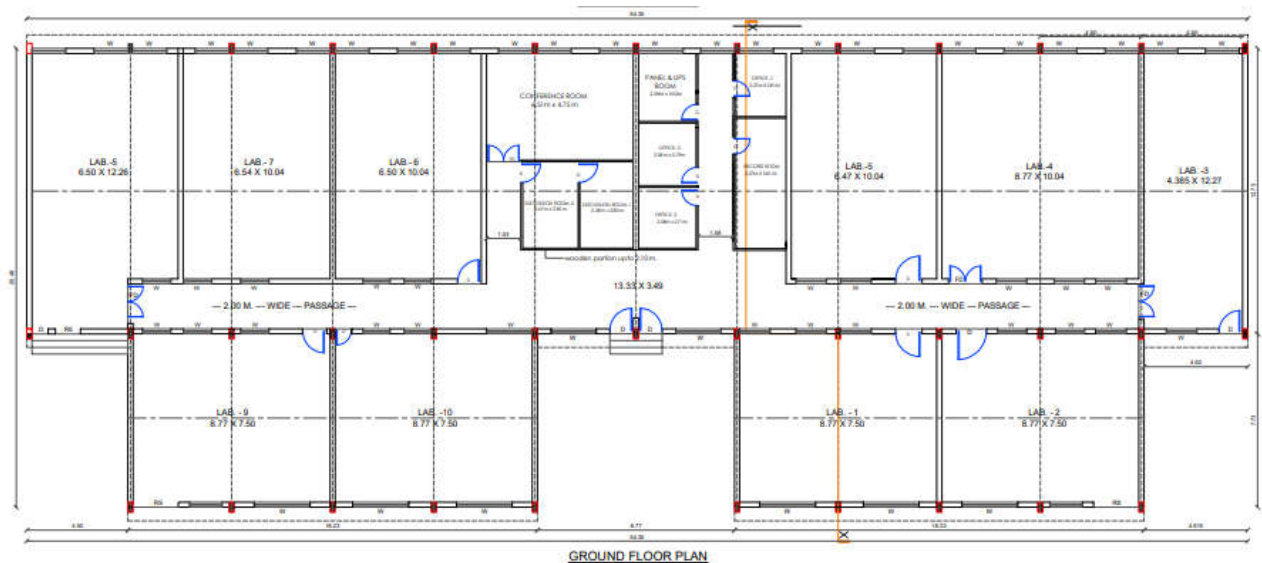

- ✓ Discover or create innovative technology solutions for industries,
- ✓ Solve societal problems,
- ✓ Promote creative thinking and problem-solving approach in students,
- ✓ Encourage entrepreneurship development and start-ups,
- ✓ Attain self-sufficiency in near future.

Under this Innovation Center, various focus areas are identified. These are given below.

1. Lab 1: VLSI and Embedded systems and advanced communication
2. Lab 2: Machine Learning, the Internet of Things, Block chain Technologies, and Cyber security
3. Lab 3: Drones
4. Lab 4: Process Intensification and Nanotechnology and Advanced Materials
5. Lab 5: Sustainable structures
6. Lab 6: Autonomous Vehicle
7. Lab 7: Mechatronics, Industry 4.0 and Robotics
8. Lab 8: Augmented Reality and Virtual Reality, Artificial Intelligence
9. Lab 9: e-Mobility and Electrical Transportation

Apart from these labs, it also includes Ideation Room, R&D Office, ED Cell, IPR Office, and Conference cum discussion room, waiting room, panel room, server room, and record room.

The Layout of the Innovation Center

K. K. Wagh Polytechnic, Nashik had submitted the Atal Community Innovation Center (ATAL-2019) proposal to Atal Innovation Mission (AIM) New Delhi. Atal Community Innovation Center (ACIC), a new initiative under Atal Innovation Mission (AIM), is directed to encourage the spirit of innovation through solution driven design thinking to serve the society.

The objective of this project is to Offer an opportunity for everyone to innovate, ideate and design impactful solutions, irrespective of their age. The project also offer the community oriented approach to innovation by enabling solutions through advanced tinkering. It also nurtures researchers and innovators to ideate solutions in areas of societal importance.

K.K.Wagh Education Society, Nashik has now become synonym for quality education. Students from all corners of Nashik are taking education in institutes run by K.K.Wagh Education Society. Travelling takes much energy and time of student. Therefore, to cater the needs of students, Karmaveer bus facility was started in 2006-2007. The department started with 3 buses and 150 students. Now considering parents demand and students benefit 32 more buses are added in the crew. At present 1465 students are taking advantage of the transport facility. The buses shuttle in all corners of Nashik and adjoining places.

This facility is extend to all affiliated institutes such as Engineering College, Polytechnics, Pharmacy College, Senior Colleges, Agricultural Colleges, Fine Arts, Performing Arts College, All English Schools, Secondary Schools & Junior College, CBSE Schools & Colleges of Education.

This arrangement has relived stress of parents and students. The students especially girls feel more secured. The exertion of students is reduced as a result they can concentrate more in academic activities.

Environment Programs – Shadu Ganesh Idol Workshop

Environment supporting – Shadu Ganesh idol workshop

Ganesh utsav is a unique festival of whole country. While enjoying this festival the plaster of paris and chemical made Ganesh idols causes greater water contamination. To minimize the environment issue, K.K.Wagh Education Society is arranging the workshop on making environmental friendly Ganapati Idol. Last year around 4000 students of different schools and colleges participated in the workshop. Till date more than 8000 Idols were made during workshop. Our Hon. Chairman Shri. Balashaheb Wagh motivated us to start this activity and Mr.

Mr. Ajinkya Balasaheb Wagh guided for this activity.

achers from Fine Arts college of our Institute give demonstration and guide students for making

clay idol. It results into development of beautiful and various kinds of Ganesh idols. The moto of this activity is to contribute towards safe environment.

Eco Friendly Ganapati

K.K. Wagh Education Society has started Ganesh Utsav of all institutes from 2015. During celebration of Ganesh Utsav of K. .K.Wagh Education Society come together to celebrate Ganesh utsav is celebrated by choosing different themes like environment protection,yog-shashtra,ozone layer protection, so that a positive and creative message can be spread in the Society. Different socio-cultural programmes like Blood donation camp, help to blinds, cloth distribution to poor are arranged. Entertainment programmes like Dhol-tasha and lezim etc.also performed. Greatest care is taken to avoid any kind of environmental pollution.

All these activities are completed with the help of our college students.The active participation of students make them learn event managements lessons. Mr. Ajinkya Wagh is actively involved in the management of this event.
