Chairman

K K Wagh Education Society,
Nashik

Chairman's Message

Welcome to the K K Wagh Group of Institutions - a hallmark of quality education for over 50 years and a responsible contributor to India's progress.

As Chairman of the K K Wagh Trust, I take pride in our enduring commitment to our founding principles. Quality education, in our belief, is the catalyst for societal prosperity and development.

Rooted in the vision of our esteemed founder, Late Shri. Kakasaheb Wagh, and passionately carried forward by our beloved Ex. President, Late Shri. Balasaheb Wagh (Bhau), K K Wagh has played a pivotal role in the development of rural India. Today, with over 29 institutes, we offer a diverse spectrum of programs, fostering the holistic development of children and youth in Nashik's urban and rural areas. We provide a wide array of courses encompassing Engineering, Pharmacy, Agriculture, School Education, Fine Art, and Performing Art. Additionally, our offerings include traditional Arts, Science, and Commerce courses, ensuring a holistic and inclusive educational experience.

Our belief in the transformative power of education is reflected in the success stories of our 23,000+ learners. Notably, our alumni continue to excel globally, leading teams in international corporations. When gauging K K Wagh's success, I reflect on two key attributes. Firstly, students with parents who graduated from our campus bear testimony to the enduring value we offer across generations. Secondly, the remarkable longevity of our members in the system speaks volumes about the lasting impact and commitment fostered within K K Wagh.

As we navigate the ever-evolving field of education, the proposed National Education Policy 2020 presents exciting opportunities. It calls for dedication, authenticity and innovation to develop skilled and valued citizens for sustainable development. K K Wagh, a pioneer of top-class institutions half a century ago, stands ready to lead the 21st century and implement the NEP. We invite you to join us in this transformative journey.

Experience and engage with the K K Wagh as we continue to contribute to nation development by building human capacity.

Warm Regards,

Sameer B. Wagh

Founder & Architect of K K Wagh

Late Shri. Balasaheb Deoram Wagh

Balasaheb Wagh alias Bhau

... a symbol of DETERMINATION – DEVOTION-DILIGENCE

Late Balasaheb Deoram Wagh

Founder & Visionary
of K K Wagh

The late Shri. Balasaheb Wagh, alias Bhau (1932-2022), was a visionary, a great humanitarian and a quintessential reformer who has left behind an impeccable paradigm of selflessness and dedication. He devoted his life to uplift rural masses and made remarkable contributions in various fields including agriculture, social work, the cooperative sector, education, fine arts, sports, forestation and water conservation, to name a few.

He was born into the legendary family of Padma Shri Awardee Karmaveer Kakasaheb Wagh and Smt. Geetai Wagh. His personality blossomed in the influential company of his able father's reputable and progressive friends, associates and well-wishers, notably Karmaveer Bhaurao Patil, Dr. Panjabrao Deshmukh, Karmaveer Bhausahab Hire, Padma Bhushan Awardee Vasantdada Patil, Karmaveer Dadasahab Gaikwad, Krantsinh Nana Patil, Gyanpeeth Awardee Kavi Kusumagraj and grandfather Sayaji Wagh.

Shri. Balasaheb Wagh completed his graduation in agriculture from Government College of Agriculture, Pune and joined as an agricultural officer in Maharashtra Sugar Factory, Tilak Nagar, Shrirampur, in the early 1960s. He served as a secretary at Sanjeevani Co-operative Sugar factory, Kopargaon. With his able management and people skills, Shri. Balasaheb Wagh soon climbed the ranks, becoming Managing Director at Niphad Co-operative Sugar Factory (Dist. Nashik, Maharashtra) and Chairman at K K Wagh Co-operative Sugar Factory, Ranwad (Dist. Nashik, Maharashtra).

He was associated with and worked for the betterment of various organizations, notably Nashik District Central Co-operative Bank, Deccan Sugar Technologists Association Pune, Deccan Sugar Institute (now called Vasantdada Sugar Institute (VSI) Pune, National Heavy Engineering Corporation Ltd. and Distillery Association of Maharashtra. He was instrumental in the establishment of the Niphad Taluka Grahak Mandal, Kakasaheb Nagar Grahak Sahakari Sanstha, Kakasaheb Nagar, Fruits and Vegetables Association, and Medical Trust at his village. He was elected as Director for Nashik District Central Co-operative Bank (NDCC) for the period 1980-1985.

Shri. Balasaheb Wagh pioneered the construction of 250+ irrigation weirs/bunds (Karmaveer Bandhare) in Niphad Taluka of Nashik District as a cooperative initiative during his tenure as President of Karmaveer Kakasaheb Wagh Sahakari Sakhar Karkhana Ltd. This has proved to be a boon to Socio-Eco upliftment of farmers in the region and provided a new model for water management for irrigated agriculture.

Considering his in-depth knowledge in the field of water resources, irrigation and the cooperative movement, the Government of Maharashtra and then Chief Minister included him in the Second Irrigation Commission of Maharashtra as a member in 1995. This commission was constituted

under the chairmanship of Dr. Madhavrao Chitale, a world-renowned figure in the Water Sector and Stockholm Awardee. This commission submitted a detailed report which became the basis for long-term water management planning of the state.

Being an environmentalist, utilizing his deep expertise and micro-level knowledge in geography and agriculture, he preserved more than a hundred varieties of the rarest tree species. Taking a step towards a safer environment, he initiated the idea of 'Eco-friendly Ganesha' almost a decade ago. This initiative has encouraged millions of other people to shift to eco-friendly practices and has significantly reduced the pollution of water bodies.

Owning a deep sense of inclination for the arts, he established the 'Kala Academy,' where he promoted Indian classical music among the youth and encouraged other art forms by inviting experts from all around the nation. Numerous experimental workshops for singing, drawing, painting, and sculpture were conducted, fostering creativity and artistic expression.

Inspired by the teachings and guidance of the late Padma Shri Awardee Karmaveer Kakasaheb Wagh, Shri. Balasaheb Wagh dedicated himself to establishing and elevating educational institutions to new heights of reputation and integrity. While serving as a Trustee, Vice-President, and President of K K Wagh Education Society since 1970, he played a pivotal role in the establishment of schools (CBSE & State Board) and colleges spanning diverse fields, including Engineering, Pharmacy, Agriculture, Fine Art, Performing Art, as well as traditional Arts, Science, Commerce, and Computer Science. He significantly contributed to the accreditation of Engineering Colleges and Polytechnics, consistently striving to enhance both quality and quantity by attracting proficient faculty and introducing new branches and disciplines. Shri. Balasaheb Wagh was a radical pioneer who walked the extra mile to ensure girls get into mainstream development. Being an alchemist in his approach, he strived for spreading the mark of K K Wagh across the globe with world class education system. His continuous efforts resulted in the establishment of nine campuses and thirty different institutes by 2022. Due to his rich experience in agriculture and love for nature, all campuses of K K Wagh Education Society metamorphosed into lush greenery in the form of rare varieties of floral biodiversity.

Shri. Balasaheb Wagh played a prime role in the establishment of the Association of Managements of Unaided Engineering, Polytechnics and Agriculture & Agriculture Allied Colleges in Maharashtra. Due to his work and commitment, he was elected unopposed as President of these three state-level Associations for 16 to 17 years. Through this, he brought around 700 unaided Professional institutes in the State of Maharashtra under the umbrella of these associations and worked relentlessly to solve their problems.

On the occasion of his 80th Birthday, then Chief Minister of Maharashtra felicitated and acclaimed Shri. Balasaheb Wagh as the 'Sage' and conferred upon him the title of the 'Torch-Bearer' for illuminating the lives of several thousand people through education. He received numerous prestigious awards including Krushi Jeevan Gaurav Puraskar, Jeevan Sadhana Gaurav Puraskar, Edupreneurs Award, Nashik Bhushan Puraskar, Samajratna, and Pitru Puraskar, in recognition of his valuable contributions to the social, agricultural and educational fields.

A prominent name in the fraternity who strived for the betterment of people, Shri. Balasaheb Wagh was a true Gandhian. He was very soft-spoken and wore the crown of simplicity, ensured that he wears and eats only local, believing in the concept of a self-sufficient village. A man of very simple living and high thinking, dedicated his life towards improving basics and worked tirelessly for 65 years to bring a difference in the lives of rural people. An ordinary man with an extraordinary zeal to serve society has reformed a million lives and engraved a permanent place in the hearts of every single soul he touched! A beacon of inspiration, he lived a vibrant and active life for 89 years, leaving behind a legacy that will be cherished and remembered for generations to come.

About K K Wagh Education Society

K K Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padmashree Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses and started with a school in Niphad Taluka. The education society later on received a land of 23 acres from the well-known Philanthropist Late Kakuseth Udesi who was Director of Hansaraj Surji Charitable Trust, Nashik. It was utilized by K K Wagh Education Society to establish an ideal Technical Campus known as 'Hirabai Haridas Vidyanagari'. This picturesque Campus houses the Engineering College, Polytechnic and Pharmacy College. Later on the other educational institutes in the field of Agriculture, Agricultural Engineering, Education, Fine Arts, Performing Arts were started in the campus at Saraswatinagar, Nashik. English Medium Schools, Junior Colleges and CBSE Schools are also run by the trust in Nashik City and Niphad Taluka.

With the vision of empowering the youth through quality education, K K Wagh Education Society started colleges with faculties like Arts, Science, Commerce, Computer Science etc. at Nashik, Kakasaheb Nagar and Chandori. These colleges are useful for the children of farmers who were deprived of higher education due to non availability of colleges at their native place. A Pharmacy Institute was established in Pimplas (Ramache) village to provide professional education for rural students.

The objective of K K Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. Other facilities provided to the students include gymnasium and sport facilities, hostels for boys and girls, mess and canteen, transportation facility etc. Highly motivated and qualified faculty engaged in teaching, research, consultancy, training, testing and designing is a major strength of all the institutes.

A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a big tree with 29 branches with over 23000 students engaged in studies from K.G. to Ph.D. in the various fields. There are over 1900 dedicated employees following the Indian ethics and striving hard towards developing the World Class institutes. Over 50000 alumni members speared across the Globe are the brand ambassadors for K K Wagh Education Society.

Training and Placement Cell

The Training and Placement Cell is established in college to assist desired final year students to get suitable job after completion of their degree program. Every year this cell conducts training programs to enhance soft skills and overall personality of students in association with industry experts and academic experts.

T&P Cell invites the reputed companies to the campus for conducting the campus interview and also for pooled campus. The reputed companies are visiting every year to our placement cell, regularly to conduct the recruitment process.

Objectives-

- ◆ To provide ample possibilities for placement of undergraduates and postgraduates to achieve maximum placements.
- ◆ To sharpen students' skills and guide them toward becoming professionals, as well as to improve their reasoning and aptitude.
- ◆ To prepare students for on-site and off-site campus recruiting by arranging training in online registration, on-site written tests, technical and HR interviews.
- ◆ To enhance career advice by organizing expert speakers, such as senior business experts, motivational experts and most crucially by senior students/college alumni who have recently been employed.
- ◆ To create collaborations with reputable industries and corporations for campus recruitment.
- ◆ To create student awareness of different job alternatives and assist them in defining their career ambitions.
- ◆ To serve as a link between students, alumni, and potential employers.

संस्था गीत

गोदाईच्या पुण्य तीरावर मंदिर सरस्वतीचे
ज्ञानपीठ हे गुणवंतांचे वैभव या मातीचे !

साक्षर व्हावा समाज सारा ध्येय मनाशी जपले
कर्मवीरांनी पाहिलेले स्वप्न इथे उलगडले
दिशादिशातून वाहू लागले वारे चैतन्याचे !

अक्षर क्रांतीने हे घडले जीवन उपेक्षितांचे
संस्कारांचे, न्यायाचे अन शिक्षण समृद्धीचे
नवयुग आले विज्ञानाचे आश्वासक तंत्राचे !

अज्ञानाच्या अंधारावर ज्ञानकिरण लखलखले
लाख उमलले अंकुर येथे कृषी मंदिरामधले
नभ अवतरले मातीमधुनी झगमग नक्षत्रांचे !
