

Yashwantrao Chavan Lecture Series Report-2023-24

K.K. Wagh College of Arts, Commerce, Science and Computer Science and Chandori Savitribai Phule Pune University jointly inaugurated the Bahishal Mandal and conducted three lectures of Yashwantrao Chavan Vyakhanmala.

The first lecture of yashwantrao chavan lecture series was wrapped in dr Vishwanath Shinde's lecture on 'mental health'. In the lecture, he said there is a misconception in our society that mental illness is just insanity, and that insanity means there is no other way than to hospitalize the insane. But mental health means dealing with all the good and bad experiences in life, having good relationships with other people in the family and community.

In the second lecture of, Dr. Pratibha Jadhav gave a lecture on 'Personality Development'. In definition, they describe changes in our personality at different stages (sometimes these changes are good and sometimes harmful). When we change for the better, that's what we call development. There is no doubt that if our mind, emotions, body, intellect, social consciousness develop, then our personality will be balanced and prosperous. Your personality is a mirror of how you are.

In the third lecture, Shri Dnyaneshwar Wadghule gave a lecture on the topic of 'Importance of Guru in Life'. The Guru removes the vices of the disciple and creates the light of knowledge in his life. The life of a person who has not had the company of a good guru is dark. The Guru shows you the right way to live life. Human possibilities are limitless. A man achieves only what he wants from the heart.

The programme was presided over by College Principal Dr. R.K. Datir Sir explained the purpose behind the establishment of an external board and left the college; He said that through initiatives like shawls, efforts are made to develop students holistically. The first lecture of Dr. Babasaheb Jaykar Lecture series was wrapped in a lecture given by Prof. Sanjay Shelar on 'New Education Policy 2020'. In his lecture, he said the New Education Policy (NEP) 2020 is a comprehensive policy that aims to bring about a significant change in the education system in India. NEP 2020 aims to provide a more flexible and inclusive learning system with a focus on the overall development of students. The policy promotes education, teacher training and development, and multilingualism.

In the second lecture, Mrs. Seema Derle gave a lecture on 'Yoga Sadhana' and also demonstrated important yoga asanas for girls. In definition, he said that the human body can develop through yoga, so yoga should be linked to our routine and made an integral part of life. He argued that it should be done. In the demonstration, he performed many asanas like Katichkrasana, Trikonasana, Paschivotnasana, Vajrasana, Bhujangasana.

In the third lecture, Mr. Saurabh Kapde gave a lecture on 'Share Market Business Opportunities'. In the lecture, he said that the stock market is the place where you earn money in the most and shortest time in India. If you invest in any stock, you will also have to face all these things. Therefore, before investing in any stocks, study those shares thoroughly. Study the technical and fundamental aspects of the stock market and invest in it. Hence, profit
