Vision

Empowering students from rural areas through quality education and imbuing human values in them.

Mission

To educate youth through quality education for holistic development by imparting value-based and skill-based education to transform students into a competent responsible citizen

Principal's Desk

My dear Students,

I would like to congratulate you for deciding to take admission to our K. K. Wagh ACS & CS College, Chandori. Our college is a value-based education center located in a beautiful and convenient location. I assure you on behalf of all my colleagues that we will not be disappointed in the future with your decision to reunite with K. K. Wagh's Academic Family with hard work and Co-cooperation. The college will shine brightly and your future will be bright. Of course, this has been proved by the brilliant performance of our alumni in various fields.

Discipline, quality, and transparency are the triads of our work while implementing various academic and non-academic development schemes in the college. According to this, I think it is the need of the time in terms of nation building that the student should be secular than the need to inculcate a scientific approach in the context of the changing situation.

It is the college's priority to make every effort to ensure that every student in the college can cope with the life-threatening competition in the field of education. Presently, the prevalence of chauvinism and uniqueness among students has become a matter of concern for society. That is why discipline is the highest priority in college. Which is starting from me to the last working unit at the college.

In addition to daily teaching the college has always given priority to opportunities to the students to participate in National Service Schemes, Indoor games and outdoor sports, various competitions, Cultural programs, seminars, workshops, lectures by experts, as well as the Development of students is given more attention through counseling and competitive examination guidance center training and placement provide training and employment opportunities to the students.

Spacious building and well-equipped laboratories of science and computer science department, well-equipped library and student safety environment, natural surroundings, experienced and expert faculties, should give personal attention to students etc are the strengths of the college, which will benefit you.

I wish you a bright future.

Dr. B. L. Jadhav

Principal

Internal Quality Assurance Cell (IQAC)

Internal Quality Assurance Cell (IQAC) of K. K. Wagh Arts, Commerce, Science and Computer Science College was established on 16th December 2020.

In order to create quality culture in the college IQAC has undertaken following initiatives in the academic year 2022-23.:

- IQAC has also chalked out Annual Development Plan for the holistic development of college.
- The IQAC has promoted the use of ICT in teaching learning process.
- The Research Coordination Committee has been formulated to inculcate the research culture in the college.
- IQAC conducts regular meetings to review various quality initiatives. The first meeting was held on 16th December 2020 in this academic year.
- IQAC has also prepared AQAR for the academic year 2022-23
- The IQAC has initiated various certificate and add on courses with a view to enhance employability and holistic development of students. The courses are “English in Daily Life”, “Sericulture”, “GIS”, “Python for Data Science”, “Tally ERP-9”, “Methods of Survey” and “Industrial Training”. The purpose of conducting these courses is to help students to develop their skills in their chosen field of the study.
- IQAC has conducted various quality audits such as Academic and Administrative Audit, Green Audit and Energy Audit.

Faculty Achievements

1) Research Activities

I) Tushar D. Bagul

Title- Quality Assurance Tool: An Innovative Approach To Review Quality Standards
In Higher Education System

Journal- ANVESAK

II) Devidas N. Durgest

Title- India's Educational System From Ancient to Modern - A Study

Journal- AKSHARA

2) FDP course

- 05 teachers participated in FDP, orientation programs and training programs.
- ERP Training programs:
 - 1) The ERP training programme for teaching staff was organized from 22/08/22 to 26/08/2022 & 23 staff participated in that training.
 - 2) The ERP training programme for teaching staff was organized from 13/09/22 to 17/09/22 & 27 staff participated in that training.
 - 3) The ERP training programme for teaching staff was organized from 27/12/22 to 31/12/22 & 29 staff participated in that training.
 - 4) One day Research Paper Writing Workshop was conducted on 30/12/22 and 31 staff participated in it.
 - 5) The training for Smart Board was held on 13/02/23 and 18 staff participated in it.
 - 6) The T. P. O. Connect was organized on 05/04/23 and 36 staff participated in it.

Departmental Activities

Marathi:

The Department of Marathi has two faculty members: Prof. M. A. Gundgal, Prof. N. V. Gosavi. In the academic year 2022-23, various programs were organized by Marathi Department.

Inauguration of Vadmay Mandal

An expert lecture was organized on the occasion of Vadmay Mandal inauguration program on May 04, 2023 under the guidance of Dr. RK Datir, Principal of the College under Vadmay Mandal of Marathi Department. On this occasion Dr. Bhaskar Dhoke, Principal of Trimbakeshwar Mahavidyalaya was invited as an expert lecturer. Speaking on the topic of 'Shivarayancha Athavava Sakshep', he informed the students about the qualities of Shivaji Maharaj's management, his prowess, his organizational skills, his ability to identify people, his scientific precision, his weaponry, his study of every minute movement of the enemy.

Marathi Language Day

On the occasion of the birth anniversary of the former President of India, Bharat Ratna Dr. APJ Abdul Kalam, a 'Reading Inspiration Day' program was organized in the college. The program was chaired by the principal of the college Dr. R.K. Dater. Dnyaneshwari's profound scholar and former principal, Shivaji Kachru Nathe, guided the students on the topic of 'Vachu Anande'.

Geography:

Department of Geography was established in June 2004. Most of the students are from rural areas, all the professors in the department encourage the students, build confidence

Activities carried out by the Department

Geography Day

On January 14, 2023, Geography Day was celebrated. On that occasion, an expert lecture of Dr. Savita Sawant was held. She guided the students on the correlation between geography and economics, how geographical factors affect the economic activities and businesses and in this connection the branches of economic geography, transport geography, commercial geography, resource geography have also been developed.

Poster Exhibition

Poster exhibition competition was conducted to increase the geographical knowledge of students on the occasion of Geography Day. The students presented their thoughts on solar system, environment conservation, ozone depletion, save water save water, types of rain, solar eclipse and its types through a poster exhibition.

Model Exhibition

A model exhibition was held on the occasion of Geography Day. In it, the children of the earth. Models were presented on elements such as the Earth's sphere, volcanic eruptions, solar system and atmospheric composition.

Certificate Course

In addition to studies, a certificate course in Geographical Information System (GIS) has been implemented by the department to provide in-depth knowledge of the subject. 30 students took admission in this two month course.

Field visit

Observation is an important component of geography study. A field visit is included in the curriculum as part of the study. On 02/05/2023 students visited Chandori village. There they visited Mahadev Temple, historical Hingnewada, Godavari River, Nadi Ghat, Maruti Mandir Village, Primary Health Center and Bus Stand, Market and got information.

English:

The department of English has three faculty members: Prof. D. N. Durgest, Prof. A. B. Janjale, and Prof. A. D. Pawar. The student strength of the department is 23.

A certificate course was conducted during 1st October to 10th November 2022 through the department for the students, who are interested in enhancing their communication skills. 35 students successfully completed the course. For this course Prof. D.N. Durgest and Prof. A.B. Janjale, Prof. A.D. Pawar worked as the instructors. Initially the students were taught Basic English Grammar. To make learning more interesting and informal, the students were introduced into audio visual learning. It was a good opportunity for students to improve their English and to develop confidence. The students were encouraged to communicate only in English. The certificates were distributed to the concerned students at the end of the course.

The Department of English organized the study tour on 21st April, 2023 at Nashik with an aim to visit the Kalaram Temple, Swaminarayan Temple, Sakal Printing Press, Anjneri Coin Museum, etc. 06 students with 03 teachers participated in it.

Prof. D. N. Durgest published a research paper on India's Educational System from Ancient to Modern: A Study.

Prof. Anita Pawar also authored a book chapter entitled 'Life Skills and National Education Policy' in the book Interdisciplinary Research Pathway of National Education Policy (NEP-2020).

Economics:

In the academic year 2022-23, the Department of Economics organized various activities related to opportunities in economics, international trade to enhance the subject competence of the students.

- With a view to acquire special skills related to business in students in addition to regular studies, a certificate course in business management was implemented by the department from 15th October 2022 to 30th November 2022. 32 students participated in this course and certificates were distributed to them after completion of the courses
- On 27th April 2023 the inauguration of Economics Forum was done by noted economist Dr. Vinayak Govilkar, Nashik.
- On 8th April 2023 Industrial visit of students of Department of Economics was organized to Sahyadri Firms at Mohadi, Nashik.
- On September 15, 2022, students of the Department of Economics enthusiastically participated in the Avishkar Competition organized by Savitribai Phule Pune University.

Commerce:

Department of Commerce was established in 2004-2005. In the academic year 2022-23 various programs were organized.

- An expert lecture on "Government Sector Opportunities for Youth in 2023". Santosh Patil, Manager of Mahindra Education Pvt Ltd. Was the chief guest of the program.
- A certificate course was organized. The Students were trained in computer accounting through "Tally ERP-9".
- A field visit was also organized to "Rajhans Milk Producers and Processing Association, Sangamner".

Science:

The faculty of Science & technology has eleven faculty members & having good qualification. Department has an excellent infrastructure with six well-equipped laboratories. Laboratories has some important instruments likes spectrophotometer, portable leaf area meter, Turbidity meter, digital balance, pH-meter, Conductivity meter etc.

Department provides many opportunities to students for development of overall personality by participating in the various cultural and co-curricular activities held throughout the year. Department organizes expert lectures of eminent personalities for students. Department also arrange the activities like scientific survey, Educational visit etc to enhance learning ability of students.

A certificate course “**Industrial Training**” was conducted through the Faculty of Science for the students who are interested in enhancing their practical skill in Industrial field. The outcome of certificate course “**Industrial Training**” is I) To developed basic understanding regarding various analytical instruments in students. II) To introduced them with basic working of various analytical instruments. III) To enhance their skill to handel the instruments. Due to this students to get better opportunity for job in their career.

On occasion 5th September 2022 Teacher day was celebrated for the students of college, Prin. Dr. R. K. Datir was chief guest of the Teacher day and shared view about recent education change. Students of science faculty was actively participated in this programme.

Faculty of Science celebrates various events on occasion of 28th Feb 2023 National Science Day ,Science week 2022-23 was celebrated between 28-2 march 2023. Faculty of science & technology was conducted various events like Expert lectures on “Importance of Scientific view” for this topic Prof. C. U. Naikwade deliver very nice guidance to students about 80 students were attended these expert lecture. Along with this many activities were conducted in Science week-2022-23 like Rangoli competition, Scientific model making, Poster presentation, Animal out of vegetable, Quiz competition Floral competition etc. students were actively participated in these activities & winner of these competitions gave prize.

The birth anniversary of National Mathematician Shrinivas Ramanujan was celebrated as ‘National Mathematics Day’ on Wednesday 22nd December 2022 by department of Science in K. K. Wagh Arts, Commerce, Science & Computer Science College, Chandori. The Inauguration function was chaired by vice principal Prof. S. G. Sawant & Prof. P. P. Aher. There speeches enlightened the students about the importance of Mathematics in day to day life.

Educational Visits in academic year 2022-23 were arranges for F.Y.B.Sc. & T.Y.B.Sc. at NHRDF Chitegaon & Sahyadri farm, Mohadi students was get idea about analysis techniques & the processing of fruits & vegetables. About 23 students were attending this educational visit. Scecond Educational visit was arranging for S.Y.B.Sc. students at Honey bee park, Pimpalgaon Baswant. The main theme of park was Honey Bees & uses of honey bee’s products.

Computer Science:

The Department of Computer Science was established in the year 2005 with the objective of imparting quality education in the field of Computer Science and Technology. The Department has modern facilities for teaching, learning process. Department offers programs of study at undergraduate and postgraduate level. The department started three year bachelor program of B.Sc.(Cpmputer Science) and two year master program of M.Sc.(Computer Science) affiliated to Savitribai Phule Pune University, Pune.

Department provides many opportunities to students for development of overall personality by participating in the various cultural and co-curricular activities held throughout the year. Department organizes various expert lectures and seminars of eminent personalities from Software Industries in the

field of Computer science and Technology. Department also arrange the extension activities in various capacities for the benefit of student and staff. The teachers associated with the department are well experienced, qualified and contributing immensely to the growth of department.

With rapidly evolving technology and the continuous need for innovation, the Department has produced quality professionals holding important positions in the IT industry in India and abroad.

Bridge Course

Department of Computer Science, conducted three weeks bridge course from the date 22/09/2022 to 10/10/2022 in offline mode. The main objective of the course is all of use to reach the goal of quality education through teaching and learning.

There is correlation between the syllabus taught in each class. This was broken due to covid-19 lockdowns and learning gap in students is increased. The basic concepts are not clear for many students, so they cannot be taught topics of higher complexity which are generally based on the syllabus of previous standard. Each department in college planned and conducted bridge course for our students to improve subject knowledge. Each department designed the course with a syllabus under a department coordinator and head of the department monitors the overall conduct of the course. Faculties like computer science, science, commerce and arts offered this course to their students. Students came from different academic background are benefited of this course.

Objective:

To bridge the gap between subjects studied at pre-university and subjects they would be studying in graduation.

Methodology:

- To know the basic subject knowledge, pre-tests are conducted by the respective subject teachers
- On the basis of subject knowledge of students, syllabus is prepared by each subject teacher.
- Time table of classes prepared and lectures are conducted as per time table.

Participants:

First Year students of BSc (CS)

Outcome:

As per the results of the pre-test conducted for each subject at the end of bridge course, it is evident that most of the students who attended the bridge course classes have gained the knowledge and skills of basic concepts of science and computer subjects.

SCIENCE DAY (28 Feb. 2023)

Department of computer science and Science faculty organized Science Week Celebration during the dates 28 Feb To 2 Jan 2023. Science week competition was organized during this period. In this competition B.Sc. (CS) and B.Sc. students participated. The purpose of this competition was to find out and develop research attitude of students while developing the image of science. As a part of the week-long event, experiments and models were conducted on the subject of science. Many science related activities and competitions like poster presentation are organized. Also Quiz competition. Rangoli competitions are organized on this occasion. The objective was to increase students' understanding of science. Science week started on 28 February 2023 with the expert talk by Prof. C.U. Naikwade. In his lecture he explained, the importance of scientific perspective and importance of research in student's life. He also told to students about that students can make their own careers in research area because of the importance of research and opportunities to have entrepreneurship.

Teachers Day Celebration (05 Sept. 2022)

Department	Computer Science
Event Name	Teachers Day Celebration
Organized By	Computer Science Dept., K.K.Wagh ACS & CS College, Chandori
Objectives	<ol style="list-style-type: none"> 1. To celebrate the birth anniversary of Dr. Sarvepalli Radhakrishnan. 2. To honour every teacher that has contributed in students life through education.

	3. To aware of the role of teachers in the development of society through education.
Date & Time	05 Sept. 2022
Total Participants (students)	All classes

EXPERT LECTURE

Sr. No.	Date of Conduction	Topic	Details of Resource Person	Number of student participants
1	09/01/2023	Cyber Security & Human Rights	Mrs. Vaishali P. Shewale Asst. Prof. KTHM College, Nashik	90
2	10/01/2023	Data Science	Mrs. Tai Baburao Wagh Asst. Prof. Vishwalata College, Babhulgaon, Tal. Yeola	30
3	02/03/2023	Web Analysis using Machine Learning	Mrs. Archana L. Rane Asst.Prof., MCA Dept., K.K.Wagh IEER, Nashik	49
4	02/03/2023	Future Artificial Learning	Mrs. Mariyam E. Maniyar Asst.Prof., MCA Dept., K.K.Wagh IEER, Nashik	49

National Service Scheme:

The college has a National Service Scheme (NSS) unit of 200 volunteers. In the academic year 2022-23, the following activities were organized:

- World Environment Day was celebrated on June 6. On this occasion tree plantation was done in Chandori village.
- International Yoga Day was celebrated on 21st June. Yoga Guru Shri Madhukar Aware taught the various asanas to staff and students.
- On June 22, the death anniversary of Rajmata Jijau was celebrated. With this occasion, the quiz competition was conducted.
- Kaka Tatya Punyatithi was celebrated on July 22. International Youth Day was celebrated on 12th August. An oath was taken for this purpose.
- On August 13, Har Ghar Tricolor Campaign was conducted under the Amrit Mohatsav of Independence. On this occasion, all the faculty and volunteers were photographed with the tricolor.
- National Service Scheme Day (NSS Day) was celebrated on 24 September. All volunteers were present at that time. Assistant Police Inspector Hon. Mr. P. Y Kadri guided the volunteers.
- Swachhta Fortnight was observed from 15th September to 2nd October. On this occasion, Swachhta Hee Seva campaign was implemented.
- Mahatma Gandhi Jayanti was also celebrated on 2nd October.
- Plastic-free Maha Swachhta Abhiyan was implemented on 19th October. On this occasion, the volunteers cleaned the entire premises of the college. Ekta Diwas was celebrated on 31st October on this occasion Ekta Daud was conducted and oath was taken by the Principal and all program officers, teachers and volunteers of the college.
- Constitution Day was celebrated on November 26. Dr. H. T. Waghmare explained the importance of constitution to the students.

- AIDS Day was celebrated on 1st December, an AIDS awareness rally was held from college to Chandori village.
- Youth Week was celebrated from January 12 to January 18. Swami Vivekananda Jayanti, Rajmata Jijau Jayanti was celebrated on January 12. Democracy fortnight was observed from 26th January to 10th February.
- Voter's Day was celebrated on 25th January. On this occasion, students were guided through a video on how to link Aadhaar card to voting card.
- Shiv Jayanti was celebrated on February 19. International Women's Day was celebrated on March 8. On this occasion, Prof. Y. B. Aher expressed the opinion that it is necessary to give priority to women empowerment.
- NSS Winter Camp was organized from 17/02/2023 to 23/02/2023. In this camp, religious places, roads, schools, government offices of Chatori village were cleaned. In addition, village cleanliness, water source cleanliness, environment conservation, tree plantation and conservation, creation of sinkholes, digital India campaign, de-addiction campaign, family survey, food security awareness etc. activities were implemented.

Board of Student Development:

The Board of Student Development is a prominent and active department in the college. Its objective is inculcating moral values in the students along with education, financial, social, physical and intellectual development along with making them responsible citizens. Financial assistance is also being given to needy students through this department.

- Every year Student Development Board organizes various workshops and schemes successfully. In this scheme 'Karmveer Bhaurao Patil earn and learn' is mainly implemented. For this scheme, Savitribai Phule Pune University grants one lakh fifty thousand rupees to the college every year. In the year 2022-23, a total of one lakh three thousand rupees was allotted to the students under this scheme. Students are introduced to the administrative work of the college by participating in various departments and financial assistance is provided to them for the work done by the students. .
- Apart from this, various workshops and social events are organized every year in the college for students to gain knowledge in all fields. These include 'Competitive Examination Guidance Workshop', 'Employment Skill Development Workshop', Personality Development Workshop, Special Guidance Workshop, Nirbhay Kanya Workshop, Disaster Management Workshop.
- In addition, in order to inculcate ideal values in the students, birth and death anniversaries of various great men are organized in the college.
- 'Nirbhay Kanya Abhiyan' workshop was organized on 17th January 2023. Through this, girls students were guided on the topic of women empowerment through various activities. On the occasion of this workshop, Judo Karate trainer Smt. Raksha Kadam imparted judo karate training to college students. She also guided on how to protect ourselves as well as how to live our life independently.
- Anti-ragging Act Literacy Workshop and Nano Technology Workshop were concluded on 9 March 2023. Meanwhile, Adv. Shivraj Navle Upazila Sessions Court has given thorough guidance regarding Anti-ragging Act. He also explained the consequences of violating this law.
- Prof. Vikram Rambhau Jadhav guided the students in depth on the subject of Nano technology. The benefits of nanotechnology to the world in today's era and the need for this technology are discussed in detail. Student Development Board officers and committee worked hard for the success of the above workshop.

College Committees

1) Internal Quality Assurance Cell(IQAC) -		
1	Dr. R.K. Datir	Chairman
