## 2.3.2 Parents and Students Meet during Lockdown

## 2.5.1 – Transparency and Robustness in Mechanism of Internal Assessment

- Appointment of College Examination Officer (CEO).
- Awareness of Continuous Internal Evaluation among students by faculty .
- The parameters of internal evaluation - attendance, home assignments/tutorials, tests, seminars, orals, practicals, project work, internal exam etc.
- The CEO collects two sets of question papers and use any one for mid-sem. exam.
- Centralized internal evaluation system.
- The answer sheets of internal exam are shown to the students and mark lists are displayed on the noticeboard.
- The queries regarding internal assessment are settled.
- Appointment of internal squad to prevent malpractices.
- CCTV cameras in college premises & strong room for surveillance.
- Prohibition of Mobile phones and electronic devices in the examination hall.

## 2.5.2 - Mechanism to deal with examination related grievances

### Grievances related to Internal Examination

- Registration of Grievance
- The Grievances are handled by respective faculty, HOD and CEO.
- Grievances are resolved by taking proper actions like revaluation of the papers and corrections in mark list accordingly.

### Grievances related to External Examination

- Registration of Grievance before examination from the Student i.e. Filling of Examination Forms, Mistakes in Name and Subjects on hall tickets.
- Registration of Grievance after examination the Student i.e. Entry of internal marks, verification and revaluation, demand of photo copy of answer sheet.
- These grievances are forwarded to the university and timely resolved by taking follow up.
- The photocopy of answer book is provided as per demand
- After verification & revaluation the corrected mark sheet is issued to the students by the University.

## 2.6.1 Program & Course Outcomes

- Program Outcomes, Program-specific outcomes, and Course Outcomes are decided by HOD and faculty members of each department.
- Faculty members familiarize the students about the learning outcomes.
- Display of program outcomes, program-specific outcomes, and course outcomes on the notice boards, college website and in laboratories.

## 2.6.2 Attainment of Program & Course Outcomes

- Each department maps the COs to POs through the CO PO matrix and to PSO through CO-PSO matrix. Various co-relation levels have been defined.
- The direct assessment method is used for assessment. Direct Assessment is carried out through the evaluation of student's performance in Internal and University examinations.
- The achievement of learning outcomes is ensured through the result analysis and continuous evaluation of students by the faculties
- The attainment level for course outcomes is defined as per external assessment and internal assessment by using the equation:  $(0.7 \times \text{Average of attainment levels for External Assessment}) + (0.3 \times \text{Average of attainment levels for Internal Assessment})$
- On the basis of attainment level the students are guided for better performance in the future.
